Section 6.2: Review of Applications

This section covers programmatic review of applications. Section 6.2.1 describes the Office of Grants and Federal Resources (GFR) policies and procedures for conducting program review and analysis. Review of the program narrative is discussed in Section 6.2.2. The Peer Review process is addressed in Section 6.2.3. Section 6.2.4 describes the financial review and final financial clearance process for grants requiring one.
